STEP TWO: Validate licensure, education, ethics

Being an ACE is more than just passing an exam. ACEs agree to maintain state licensure, adhere to the highest ethical standards, and continue their education. In order to recertify your ACE, please:

and continue their education in order to renew it, you ACE, please:

- 1) Review the ACE Code of Ethics (www.entocert.org/ace-code-ethics) and **sign below** to indicate your willingness to continue to adhere to these principles.
(sign here) _____
- 2) Provide a photocopy of your pesticide applicator's license showing current licensure (see box to right).
- 3) Document a minimum of 18 CEUs earned during the past three years (**2018-2020**), using the table below to determine eligible credits (attach additional sheets if needed). Each approved activity hour equals one CEU. **Eligible credits are described on the ACE website at www.entocert.org/maintain-my-ace-certification.**

(Affix current pesticide applicator's license here or on a separate sheet)

*(Affix current pesticide applicator's license
here or on a separate sheet)*
